Your complete guide to this issue's BONUS VIDEOS

This issue comes with 9 full-length bonus videos: There are three XXX scenes with jizz-hungry newbs and six solo sluts. After you're finished jacking off to your favorite cutie in this magazine, head online and watch other stunning amateur babes cum in HD.

As always, these bonus videos are absolutely free. There are no strings attached. They can be played on your PC, laptop, Mac, iPhone, iPad, smartphone or tablet. You can stream them in your home or on the go! No email, credit card or personal information will be requested. You'll also get a free digital version of the entire issue so you can take *Naughty Neighbors* anywhere you go.

Here are the highlights of this issue's bonus scenes.

Veronica Valentine has braces. She's a flat teen with an insatiable appetite for sex. "I never shy away from anything sexual," the pint-sized cutie told us when we asked her why she sent in her video.

Syndi takes a swim lesson. But there were other things she wanted to do...like show her instructor the way she blows cock and rides it. Judging from the looks of it, maybe Syndi should have taken up horseback riding.

"I was the last of my friends to fuck." That's what Stella told us. "I gave up my cherry on my 19th birthday." Here, she's fucking a porn stud.

Ana takes her workouts seriously. Before she pumps iron, she always stretches. That includes stretching her tight, young pussy hole.

Emily Willis is a young teen. We asked Emily what pleases her more than anything else. She responded, "Sucking cock." We paired her with a stud to please.

Emma O'Hara is a natural redhead. She's a bit shy, but by the time she's fully nude and has her fingers deep inside her pussy, she relaxes.

Zoe Bloom is a tiny brunette cutie. She dressed up and was extra attentive while putting on her makeup before we shot her video. "I wanted to make sure your readers like me," she told us. We think you're gonna love her.

Violetta's bush is freakin' huge! She isn't going to be everyone's cup of tea. We get it. Some guys like a hairless cunt, and there's nothing wrong with that. But some of you guys love sinking your nose into a hot, hairy, fragrant bush. This extreme bush is for you.

Lenna is quiet and wild. She gives off an innocent vibe, so we almost missed the fact that she's a busty little fuckdoll. "Guys think I'll be reserved in bed because I'm kind of shy, but then I'll ask them to fuck me hard, spit on me and choke me.

Lexi also shared her favorite position. "It's called spread-eagle bondage. That's where the guy ties me to a bed so that my legs are spread and I can't move. Then, he can do anything he wants to me."

Violet

Miami, Florida

When we met tiny cutie Violet, we were blown away by how small she is. "I wear an extra-small dress size," she informed us. That much was apparent. Her little body is very tight and toned. "I'm an energetic person," Violet shared with us. "I like going to the gym and going for runs. I used to dance ballet, so I take dance classes for fun and for exercise. It's fun, and it allows me to move my body."

Violet likes to use her body for more than just exercise. "I love to fuck," she told us. "I like to have sex at least twice a week. If I'm in the early stages of a relationship, I need to get screwed at least once a day. When I first date a guy, I'm like a wild animal. I need cock 24/7. I've had some college guys tell me that I need to calm down."

Violet the gear head.

"I go to track days whenever I can. I love car culture. I've got a basic car now, but someday I'd love to own a cool sports car. Or, you know, I could find a hot older guy with a couple of cars that he lets me work on and drive. I'd love that!"

There are 24 beautiful, sensual and horny-as-fuck MILFs in this epic movie. There are so many wives, girlfriends and divorcees, we had to produce three freakin' discs to fit them all in. And the women are all in their sexual prime, ranging from 40 years old up to 52. They're old enough to know that their husbands and kids would hate to see them in a porno flick, but they don't care. They get off on the idea of you whipping your cock out and jacking off to their hot bodies.

Loaded with age-verified first-timers and exclusives. Nearly seven hours of MILF pussy!

What makes MILF Show the greatest mature movie series of all time? It's the enthusiasm our MILFs display while getting themselves off. Newcomer and big-titted Filipino mom Krystal Davis couldn't wait to spread her ass to give you a good view and then fuck her pussy with a dildo. Neither could Lily Craven, who simulates a gangbang with her favorite toys. As MILF toy shows go, they don't come any hotter than this one. The stacked divorcee shoves her gigantic toys down her throat and slams them in her pussy. You've gotta see her gaping fuck hole after she finishes! There are simply too many MILFs to mention them all, and each one will be happy to be your personal cum depository.

"Yes, the people I know would be surprised to see me in a porn magazine or in an adult movie, but I'm okay with that," said Ciel, a 44-year-old first-timer who was born in France and now lives in the southeastern United States. "I own my sexuality and am mature enough not to really care what they may say or think."

Cock sucking fetish.

"I'm not sure if I have any fetishes. If you want to call sucking cock a fetish, sure! I also can almost orgasm from my nipples being kissed and sucked gently. I'd say the wildest thing about me is my exhibitionist streak."

Katlynn

She's the cat's meow.

WATCH THIS COUGAR CUM IN MILF SHOW 4

"I love getting older," Katlynn shared with us. "I have more knowledge and experience than I did when I was in my 20s. Getting older, you're still in a great category. With the younger guys, you're the cat's meow. There's something exciting about it. I can compete with much younger girls. I've got experience on them, so they had better look out. I might take their man."

A cougar on the prowl.

"I was hooking up with a guy in his 30s and he asked his buddy, a guy who just turned 20, if he was into cougars. He said he was, so we set up a meeting. Later that night, I was getting fucked by both of them in a hotel room."

OUR MONTHLY SHINDIG OFFERING SEX TIPS, TRICKS AND A HOST OF SEXY CHICKS

DID YOU KNOW?

Last year, boob jobs turned 50. Timmie Jean Lindsey from Houston, Texas got the first breast-implant surgery in 1962. She went from a B-cup to a C-cup.

"How do they feel, doc?"

NO NUDITY ALLOWED.

Although nudity on TV is hardly shocking in a world filled with raunchy Netflix and HBO shows, it wasn't too long ago that broadcasting sexually suggestive scenes incurred a heavy financial penalty from the FCC in the United States. The highest fine against a single TV show was levied in 2006 when CBS and its show Without a Trace was charged $3.6 million dollars for depicting a sexually suggestive orgy involving teenage characters. The show's creator, Hank Steinberg, told The Hollywood Reporter, "It's flattering, I suppose, to be the procurer of the single-largest fine in FCC history. You can do almost anything you want as far as violence on TV, but it remains incredibly restrictive with regard to sex and language."

NOW THAT'S A RECORD!

On April 1st, 2011, Susan Sykes (aka Busty Heart) set the world record for most drinking cans crushed by one breast in one minute. She crushed 34 cans.

Whoa! That's a unique way to recycle.

ODD BROTHELS FROM AROUND THE WORLD

Whether you call them brothels, bordellos or whorehouses, the concept stays the same. Sure, some disguise themselves as massage parlors or legitimate strip clubs. But, they all provide the same services. Others, though, go above and beyond. Some don't hide at all. These brothels aren't for your average Joe, cruising for some pussy. These are for real poon hounds searching for adventure.

Nana Entertainment Plaza, Bangkok, Thailand.

Billing itself as "worlds largest adult playground," Nana Plaza is a three-story, open-air mall with a central atrium. The ground floor is mostly occupied by bars and go-go clubs with dancers. Overall, there are around 40 businesses to patronize, but they're all full of strippers and escorts. Horny men simply find a woman they'd like to have a romp with and negotiate a price with her. The top floor of the plaza

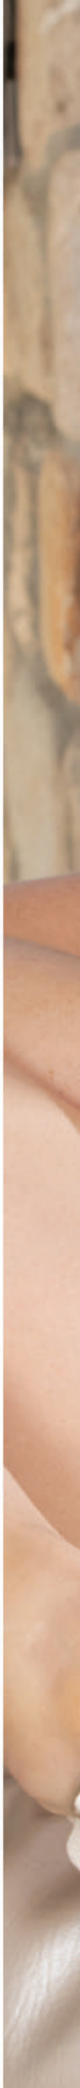
Olivia

Memphis, Tennessee

Move over Blaire Ivory, Olivia is now officially the tallest amateur we've ever featured in our magazine. That's no mean feat. We've been around for 28 years. Blaire is a paltry 6'1" tall. Olivia is a towering 6'4". Or, as she puts it, "I'm 6'7" in heels." She's also a cutie pie with natural freckles and a killer body.

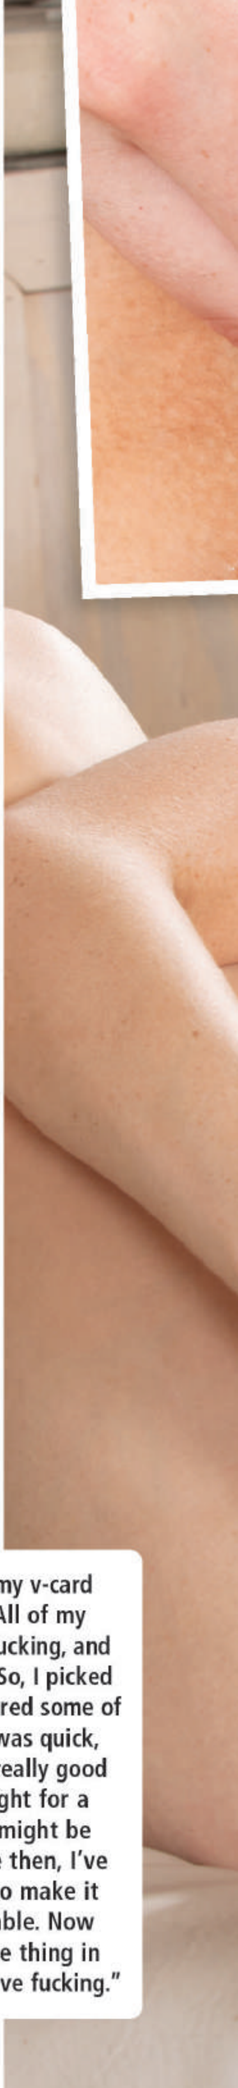
www.xsava.xyz &
www.spicymags.xyz



"Because of my height, I get a lot of attention when I go out. I'm used to it, but it can get annoying sometimes. I never know if a guy likes me for my personality or my body," Olivia told us. "It's fine. One time, I hooked up with a guy in college who was obsessed with my feet. He liked to kiss and suck on my toes. Eventually he asked for a footjob. I'm game for anything, so I did it. It was so ticklish!"

Pick a hole, boys!

"I really want to try DP, gangbangs, being dominated and having my whole body worshipped. I like to be submissive in the bedroom. As far as double penetration goes, I've experimented with toys, but I really want the real thing."



"I didn't lose my v-card until college. All of my friends were fucking, and I felt left out. So, I picked a boy who shared some of my classes. It was quick, and it wasn't really good or bad. I thought for a minute that I might be asexual! Since then, I've learned how to make it more pleasurable. Now it's my favorite thing in the world! I love fucking."

Alexa

Prague, Czech Republic

Little Alexa sure is adorable. She has a cute face, suckable little tits and a shy, girl-next-door demeanor. Plus, she has braces. But this girl is not as innocent as she looks. "I like to experiment and have fun," she told us. "So I've done some pretty wild stuff. Just a few weeks ago, I had sex on the beach where I had just competed in a beach volleyball tournament. It was with a total stranger!"

"My friend dragged me to a swingers club recently. It was incredible. I wasn't sure if I'd like it because I pictured a bunch of old, fat guys wanking off in the corner. But there were a lot of attractive couples and single guys there. I ended up having a threesome with a hot couple."

Now, that's a hobby!

"I love giving blowjobs. There's something so erotic about having a dick in my mouth. I even love the taste of cum. I was so turned on the first time I gave a BJ, I kept sucking after the guy came and made him pop again."

Ginger

Cleveland, Ohio

Natural redheads are our favorites! Young Ginger is as cute as a button, and she's here to get dicked down on camera. We asked her if this is the wildest thing she's ever done. "Probably not," she laughed. "I have a foot fetish, piss kink, spit fetish, and I'm into bondage, roleplay and light BDSM."

www.xsava.xyz &
www.spicymags.xyz

With such a laundry list of sexual perversions, plain ol' ho-hum sex with a porn stud must be kind of boring, right? "Not at all," Ginger told us. "Adding a camera dials up the intensity. I love performing. My ex used to whip out his cell phone and take videos of himself cumming on my face or on my tits. It really turned me on."

"I got my nipples pierced last year right after I turned 18. I did it with my friend. It was really funny. The tattoo artist who did it was like, 'Okay, pull out your breasts.' My friend got all bashful, but I immediately whipped off my shirt right in the middle of the parlor."

Chock full o' nuts.

"I love getting creampies. I mean, I just love cum, so I'll take it any way I can get it. But, there's something really hot about having my little pussy filled with a guy's jizz. I've always wanted to do a gangbang creampie."

houses short-time hotel rooms for easy access. Nana Plaza is located in one of three famous red-light districts in Bangkok, and it's arguably the most famous.

Big Sister, Prague, Czech Republic.

Big Sister had a groundbreaking business model that made it completely unique. Unfortunately, it is currently not operating, but when it was, it had customers lining up around the block to take advantage of the brothel's promise. You could sleep with the prostitutes for free. That's right, they didn't charge a dime to fuck any of their gorgeous harlots. Opened in 2005 to much fanfare, Big Sister invited customers to lick, finger and fuck to their hearts' content, but there was a catch. Every inch of the building was covered by cameras. Those cameras ran to a control room run by technicians who broadcast all of the activity to their website where members paid to stream the activity. There are several reports that the site was viewed up to 10,000 times a day. Additionally, Big Sister sold streaming rights to cable companies throughout Europe. So, the on-site strip club, the pool, the sauna, and the dozens of themed sex rooms were all free to visit, but there was a non-monetary price for visiting.

Visit the brothel. Then, visit the site.

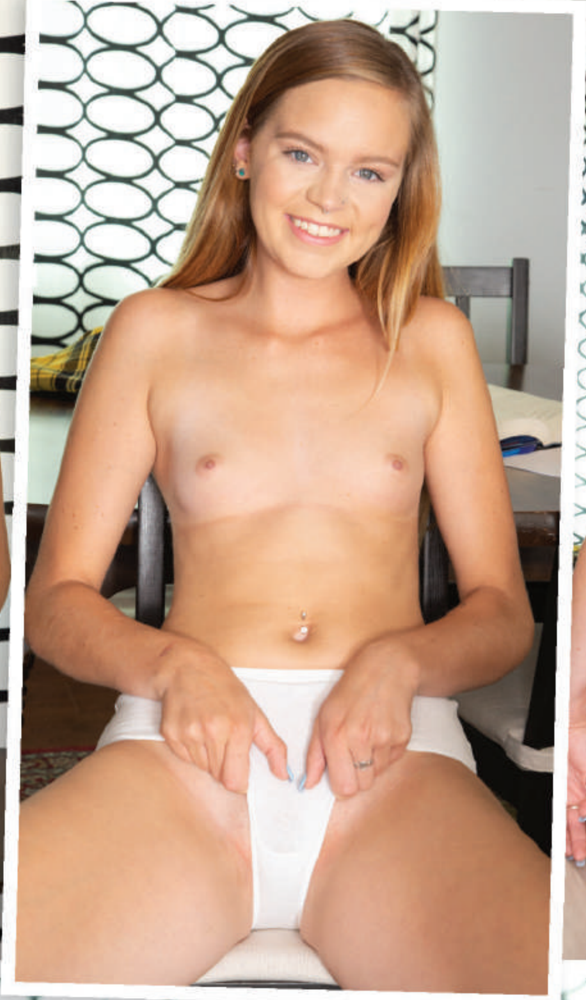
Mandy

Kansas City, Missouri



Mandy is enthusiastic about being legal. We asked her what kinds of men she likes. "I love older guys, but I could never fuck them. It's on now!" Then we asked her if she likes girls, too. "I've never done it, but I want to so badly. I want to taste a wet pussy other than my own. Sometimes, when I masturbate, I'll taste my own juices. It's pretty good."

Jade

Nashville, Tennessee

We asked Jade if she's enjoying grad school. "Oh, yeah. It's a lot of work, but it's gratifying," she told us. "Back in high school, I was an artsy skater girl who smoked a lot of weed. Now I'm pretty serious about studying. I'm trying to have fun still, though."

"I keep myself busy by going to the gym. Well, it's not really a gym. It's a dance studio that offers pole dancing classes. I picked it up before Covid, and it's a real passion of mine now. I have a pole in my bedroom, too, and I've given some of my friends private shows. Other than that, I like to sing, dance, play guitar and paint. I think painting is a good outlet for me. I'm really proud of a nude self-portrait I'm working on now."

Would you do it?

"My biggest fantasy is pegging a hot guy. I think it would be so hot to penetrate a man's ass while holding his balls in my hand. It would totally flip the power dynamic of sex! It would be really hot if he came from it."

Keely

Santa Barbara, California

Keely is a girl who enjoys spending time in the great outdoors. "I love hiking and swimming in the ocean," she told us. "I can't stand staring at my phone. I would rather be outside breathing fresh air. I love to travel, too. I'm planning a trip to Thailand next year."

"I like wearing really girly stuff when I'm out at bars or wherever. I enjoy doing my makeup, too. I'm a girly girl at heart. I like guys who make me feel special and cute. I've dated a few older guys who spoiled me with fancy, expensive dinners and gifts. That's my favorite type of guy. I like 'em older and rich! I guess that makes me picky, but I like what I like."

"My favorite thing in my closet is a schoolgirl uniform. You should see the looks guys give me when I wear it for them. I put my hair in pigtails and wear rosy blush on my cheeks. It's so cute and kinda slutty at the same time. I love sucking cock while I'm wearing it."

Shall we hop in back?

"One time, I fucked in a car on a busy street. It was incredible. I like the idea of having sex in public, but I don't want a bunch of people seeing me. I just want the added sense of danger. So doing it in a car was perfect."

Pascha Brothel, Cologne, Germany.

Looking more like a large tenement building than a brothel, Pascha is by far the largest in Germany. Its massive building stands 12 stories and claims to be Germany's first high-rise brothel. Around 120 prostitutes work there on a busy night, so nobody has to wait too long to find a girl. That's good, because Pascha estimates that they serve around 1,000 customers a day. There is a door fee, but after that, customers simply wander around the massive estate until they find the girl (or multiple girls) they're looking for, and then they negotiate the price.

Maison d'Envie, Berlin, Germany.

This quaint brothel is the most traditional in the article. It's website currently advertises just six sex workers. Located in a small up-and-coming eco-friendly neighborhood, Maison d'Envie decided to ride the green wave and offer their clients a discount for arriving via bicycle or by public transportation. Now, that's a good promo. Talk about taking a ride on the village bicycle!

Alien Cathouse, Nevada, USA.

We promised you "odd," and here it is. Alien Cathouse is an alien-themed brothel near Death Valley. The whole building has an alien theme, and the ladies can dress up as space aliens if you want a truly out-of-this-world experience. Its website states that their prostitutes, which they call "Cosmic Kittens from the planet Venus 69," are "on an interstellar mission to bring erotic pleasure to the entire universe."

Daily Planet, Melbourne, Australia.

Forget about the Nasdaq and Dow Jones. The real excitement happens on the Australian Securities Exchange, apparently. That's where the Daily Planet brothel officially listed itself in 2003, becoming the first ever whorehouse to go public. They hired famous Hollywood madam Heidi Fleiss to promote the affair. Around 1.4 million shares were sold on the first day, and the company's IPO value doubled. Even if investing isn't your thing, you can see how betting on sex is always a good call.

Para Doxies, Brothel For Disabled, Buckinghamshire, UK.

Not "odd," per se, but incredible and very cool, Para Doxies in the United Kingdom is a brothel exclusively for autistic and disabled customers. The proprietor is a woman named Becky Adams who ran brothels for years, but retired to open this not for profit company that enrolls sex therapists and prostitutes to assist disabled or ill people in a safe, comfortable place. There are wheelchair ramps and hoists to make it safe and accommodating. Ms. Adams explained why Para Doxies is important to have in the world to a reporter from inquisitr.com in 2013, "People have the same sexual urges whether they're disabled or not. Everyone deserves to experience and enjoy sexual contact. A soldier who comes home from war disabled doesn't stop being a normal, healthy person with normal, healthy needs. For many, disability can get in the way of fulfilling those needs." We agree! Everyone deserves to get laid.

Athena

Spokane, Washington

Just 18, Athena is still pretty new to sex. "I'm not a virgin," she told us. "But I've only hooked up with a couple of guys before. I've actually had sex with more girls than guys. I'm bisexual, and lately, I've been leaning toward the ladies. But, I could never give up cock. It's just too good! Fingers and dildos just can't compare."

"Even though I'm fairly inexperienced, I know what I like. I like it when sex is a little rough. I mean, romantic sex is good, too, but sometimes I need a little bit of aggression. Like, I love it when I'm giving a blowjob and the guy grabs my hair. I'm also into spanking, choking, BDSM and having sex in public."

"I have a great story about the first time I had sex. It was in a culinary classroom at school. I had liked the guy for a long time, and we happened to be alone in there. Things got sexy, and the riskiness was the best feeling ever. I got so wet I left a puddle on one of the desks. He definitely knew what he was doing. It was so delightfully naughty."

Use extra lube next time.

"I tried anal back in the day, but I didn't know anything about lube, going slowly and working your way up to taking a dick. So it ended up really hurting. I'd like to try it again, though. It felt good at the beginning. I want to buy a plug to train my hole."
